v. §

§ Case No. 4:12-CV-0525

ADRIVE, LLC, et. al. § Case No. 4:12-CV-0526

§ *SEALED*

ORDER ON PLAINTIFF'S MOTION IN LIMINE

Pending before the Court is Plaintiff Oasis Research, LLC's Motion in Limine (Dkt. #607). The Court has considered the motion, Defendants' response (Dkt. #633), and the oral argument of counsel before the Court at the Final Pretrial Conference conducted on March 8, 2013. It is therefore ordered that Plaintiff Oasis Research, LLC, its attorneys, Defendants Carbonite, Inc., EMC, Corp., and Decho, Corp., their attorneys, and any witnesses refrain from (1) making any reference, mention, statement, suggestion, or allusion to, (2) giving any testimony or arguments concerning, or (3) introducing any exhibits before the jury panel or jury concerning (collectively, making "any reference to") any of the following matters which the Court has granted below, until the Court has had the opportunity to rule on the admissibility of such matters outside the jury's presence.

deceptive intent toward the Patent and Trademark Office ("PTO"). However instructed by the Court during the Final Pretrial Conference, the parties will be perr to discuss Christopher Crawford's alleged deceptive actions as they relate to credibility or to his actions taken towards the alleged co-inventors. GRANTED GRANTED AS MODIFIED DENIED 2. Any evidence, testimony, reference, or argument referring to Plaintiff as a "patent or other pejorative term. Defendants are permitted to refer to Plaintiff's business in a general sense; however, Defendants may not portray Plaintiff's business mode negative light. GRANTED GRANTED AS MODIFIED DENIED 3. Any evidence, testimony, reference, or argument from Teri Todd or Donald concerning inventorship. GRANTED GRANTED AS MODIFIED DENIED	Christopher Crawford acted with
